Title: Core Purpose - You, Jesus and the Church

Description: The Core Purpose diagram is a popular tool used to help people think through some very important questions like, "What do you love to do?", "What are you good at?", "What does the world need?", and "What can you get paid for?". With this in mind and the Bible in hand, we can discover how Jesus lived out His core purpose as well as how His life points to the proper purpose of the Church. When the Church begins to look like Jesus the Gates of Hades fall and the Kingdom of heaven comes to earth in every area of society. This presentation is to get us dreaming big again so that we begin to see these things happen in our communities!
